

HEADTEACHER'S BULLETIN

TERM 1

Dear Parents and Carers, it has been a busy and positive start to the new school year at Culverhill School. As we settle into the first term, I would like to share some of the improvements we have made to our school environment over the summer, alongside a look at what is planned for the months ahead.

NEW FOREST SCHOOL SHELTER

We are delighted with the addition of our new forest school shelter which will provide pupils with an inviting and practical space for outdoor learning throughout the year. Forest School is an important part of the experiences we offer at Culverhill. The new shelter means that pupils can spend more time learning outdoors, exploring the natural environment and developing confidence, independence and practical skills; even when the weather is less than perfect!

IMPROVING OUR CLASSROOM ENVIRONMENTS

As part of our ongoing work to improve the learning environment across the school, dimmable lighting has been installed in a number of classrooms. Being able to adjust lighting levels allows staff to create calmer and more comfortable classroom environments and to respond to the differing sensory and learning needs of our pupils.

Thank you

A big thank you for your support with the bookfair this term, together we raised £512.28 for our school to spend on books.

This term's afternoon tea has raised a total of £316.35!

FINALLY

I would like to thank our pupils for the positive way they have begun the new school year, our staff for their continued dedication and hard work, and our parents and carers for your ongoing support.

There is much to look forward to this year, and I look forward to sharing further news and developments with you as the year progresses.

With best wishes,
Mr C Walker
